

2016-09-17

Dear Procom Manager:

Please note that the services being provided to Procom's client are being performed by an Alberta company, through Procom's Alberta offices to a client whose business is located in Alberta.

Accordingly, please accept this direction to Procom to have GST added in preference to HST.

Your assistance in this matter is appreciated.

Yours truly,

bill.towsley@ccubeddi.com
